From Administration:

As a reminder, we are closed on Friday, July 4th and will resume business as usual on Monday, July 7th.

You will receive an email with the new fall rates attached. These rates will go into effect on August 11th.

If your child is in Preschool 2, Preschool 1 or Toddler 2 (and turning 2.5 by August 11th or is already 2.5) they will be transitioning to the next classroom on August 11th.

We have a lot of fun activities coming up this month! Be sure to check your child's permission slip for what is happening when so they are prepared every day. The summer calendar can also be found on our website under the summer tab.

Next week, please check the mailbox of your youngest child enrolled at Junior Jets for half of the enrollment paperwork. The other half will be coming via email with a copy of the new rate sheet. This paperwork is due no later than Friday, August 1st. Any late paperwork may result in a disruption of care, as we have to have updated paperwork per our licensing requirements. The registration fee is due no later than August 11th, and the new rates go into effect starting the week of August 11th. (PreK parents are exempt, as they are off to kindergarten!).

As a reminder, children can only have plain water in their water bottles, no flavors or anything else.
